SAN JOSE, CALIFORNIA, WEDNESDAY, JANUARY 26, 1955

No. 74

Court Hears New Plan For Sentencing Groups

Individuals rather than ASB subcommittees will be punishable for violations of campus rules if the recommendation of the College Life committee is followed.

A letter from the committee, read at yesterday's Student Court meeting, suggested that an individual person, even though he may be acting on direction of an organization or committee, would be punishable rather than the organization. It also suggested that the adviser of the organization being prosecuted be invited to attend the hearing.

"A fine on the ASB subcommittee as a whole for violations penalizes the students at large," Stan Croonquist, Student Court Chief Justice, commented. "This would not affect fraternities, sororities, or clubs, just organizations that are subdivisions of the ASB."

Prosecuting Attorney Don Atkinson also read indictments against Alpha Phi Omega, Sophomore class, and the California Student Teachers Assn. on violations

DON ATKINSON
... brings indictments

of the campus advertising code. Summonses will be issued tomorrow and the cases will be heard at Court Tuesday.

Petitions will be issued from the Graduate Manager's office Friday to all eligible applicants for ASB office and must be returned to the ASB office by 4 p.m. Tuesday, Feb. 1.

Greeks Make Plans, Prepare To Win Show

Busy making plans to walk off with the tallest trophy at the All-Greek Show tomorrow night are approximately 400 Greeks, while Theta Chi, sponsoring fraternity prepares a film it will show just for fun. Theta Chi does not compete in the show.

Terry Taugner, director of this year's production, yesterday said a new ruling this season blacks out the showing of movies by competing organizations. Reason for invoking the "no movie" restriction is that films can be cut so only the most favorable aspects of the celluloid are shown. This action places organizations staging live skits at a disadvantage, Taugner said.

Alpha Tau Omega was awarded the first place trophy for its all-fraternity movie in the 1954 show.

According to Taugner, more changes may occur in future shows. A plan is being considered to hold an elimination tourney to cut the number of skits several weeks before the show is staged, he said.

The show has no full-dress rehearsal. However, Taugner said, the winning organization usually is the one showing the most interest and contributing the most time to the affair.

Theta Chi donates the six trophies which are awarded the winners of the show.

One trophy is given for first, second, and third place in both divisions.

Groups To Discuss Foreign Relations

A discussion at a joint meeting of the Student Y and the International Student's Organization tonight at 7 o'clock in the Student Union will have for its topic, "U. S. Through the Eyes of the World." Jim Starrs, president of the campus International Relations Club will serve as moderator.

Specific aspects to be studied will be: U. S. foreign policy, the typical American as the foreigner sees him, capitalism: the western economic system and U. S. politics at home, according to Bill Miller, Student Y president.

SAC Chooses Fill-in Band

Johnny Vaughn and his eight-piece band were signed yesterday afternoon at the Social Affairs committee meeting to play for three 20-minute intermissions at the Wintermist Ball, according to Jim Cottrell, of the Social Affairs committee. Cottrell stated that the final papers are being signed with Vaughn and his group, who are from the San Jose area.

In other business of the committee's meeting, Janet Nielsen was named bid committee chairman. Decoration ideas for Wintermist were discussed at some length under the chairmanship of Paul Thomsen. The next meeting of the Social Affairs committee is scheduled for Tuesday at 2:30 p.m. in the Student Union.

Call To Feature Magic In Fire Prevention Show

Feats of magic will be used by K. Thomas Call to bring home the points of his fire prevention demonstration in Morris Dailey auditorium tonight at 7 o'clock.

The show, titled "Play for Your Life," lasts approximately 45 minutes, according to James M. Craig, who made arrangements for the program, which is open to the public. There will be no admission charge, he said.

Snow in Florida, We Soak Up Fog

Bruised, battered and bowed, the pigeon floundered in the fog at the base of the nutmeg tree. "For," quoth the good bird, "I just came back from Tallahassee, which is in Florida."

We hushed his traitorous words, but he went on. "It was, undoubtedly, snowing."

Clutching a UP wire dispatch under a wing, he hobbled.

"Mobile, Ala., had four inches of snow, matter of fact."

"But I returned only to find San Francisco—and Oakland—fogged in."

By this time the fog had lifted and he flew off, chanting, in Gregorian fashion.

"Occasional high cloudiness today, morning fog, little change in temperature, high 48-56, low 33-45 and gentle winds."

Ushers Sign Now

Girls interested in ushering for "My Three Angels," Feb. 4, 5, 10, 11 or 12 are to report today or tomorrow to SD-100.

Girls do not have to be available for all performances in order to sign up. Uniforms are provided by the department.

SJS Cagers To Face Cal Poly Tonight

By ROD LEE

Faced with the task of halting Cal Poly's high scoring machine, the San Jose State Spartans will meet the Mustang quintet tonight at 8 o'clock in Spartan Gym.

The contest will be televised over Station KOVR, Channel 13. Spartan yell leaders and pep band will be on hand for the telecast, according to Shunji Ito, Rally Committee chairman.

Approval, Signing Of Lease Remains Before Shop Work

Only final approval and signing of a lease by the State Department of Education remains before bids for construction of the new Spartan Shop will be accepted, according to William Felse, graduate manager.

Felse expects to receive the lease from Sacramento this week. Construction plans for the shop already have been approved by the State Division of Architecture.

The Graduate Manager presented the plans last week and obtained the division's endorsement.

Now the ASB must fulfill the legal technicality of leasing the land from the state for use as a site for the Spartan Shop, for which it pays the state \$1 per year.

Felse estimates that construction of the building will take six months, beginning in the middle or latter part of February.

The shop, according to this schedule should be completed near the end of August, allowing approximately four weeks for moving in before the beginning of the fall semester.

The present Spartan Shop is reducing its stock to a minimum to facilitate transfer of stock.

Firms Submit Grounds Bids

Eleven bids, ranging from \$6009 to \$10,641 have been submitted to the State Division of Architecture for the landscaping contract of the new Speech and Drama building, John Amos, director of buildings and grounds, said yesterday.

The lowest bid from a San Jose firm was for \$7868. The \$6009 bid was submitted by a Los Angeles company.

The landscaping, due to start 10 days after the bids are awarded by the state, will include an underground sprinkling system, leveling, filling, seeding and planting.

The Cal-Poly line-up will be strengthened tonight by the return of Larry Madsen, 6 ft. 5 in. center. Madsen, who was the Mustangs' leading scorer last season, missed most of the early season games because of illness.

Emmie Hall, transfer from Ventura J. C. and Purdue University, is currently leading the Cal Poly scoring with 16.7 points per game. In the Mustangs' 98-73 victory over the Fresno State Bulldogs, Hall connected for 32 points.

The win over Fresno gave the (Continued on Page 4)

ASB Council Meets Today

The Student Council, meeting at 2:30 p.m. today in the Student Union, will review Board of Control and Awards Committee recommendations and a request by the Junior Class for \$150, according to Art Lund, ASB president.

The awards group has recommended to the committee that, despite an Athletic Department request for 33 football awards this year, only 30, decided upon last year, will be allowed.

Board of Control recommendations include a \$75 allotment to the SAB. A Religion-in-Life request will be referred back to the council; money for the week already was allotted in budgeting. Lund said. A \$520 request from the WAA was turned down.

The Juniors will request the \$150 as a loan so that they can make a \$200 deposit reserving Phil Bovero's band for the Junior Class Prom.

Show To Feature Polecat and Kitten

Both the "Lonesome Polecat," John Denney, and the "Kitten" chosen to accompany him to the Wintermist Ball are slated to be the guests of Dick Garvin on his Coffee Date show tonight.

In addition to naming the winner, Garvin also plans to announce the second and third place entrants who will receive a show date and coffee date respectively.

World News

House Gives Eisenhower Power To Fight Red China for Formosa

WASHINGTON, Jan. 25 (UP)—The House today overwhelmingly voted President Eisenhower unlimited powers to send U.S. forces into battle against the Chinese Communists if necessary to defend the Formosa area.

Senators Alexander Wiley (R., Wis.) and John J. Sparkman (D., Ala.) said Radford made it clear that U.S. ground troops will not be used in the defense of Formosa.

USSR ENDS GERMAN WAR

LONDON, Jan. 25 (UP)—Radio Moscow tonight announced that Russia has ended its state of war with Germany.

The far-reaching announcement was heard in Moscow broadcasts, monitored here.

The decision to end the state of war with Germany apparently was taken at a conference of Foreign Minister V. M. Molotov with the Soviet ambassador to East Germany and the German Ambassador to Moscow.

The declaration that the state of war has been ended clears the

way for strengthening the ties between Moscow and the East German Communist regime. It also will clear the way for open rearmament of East Germany.

CIVILIANS REPLACE GI's

WASHINGTON, Jan. 25 (UP)—The Army said today it is freeing 12,000 officers and men for combat units by replacing them with civilians.

The program will allow the Army to retain several combat units which otherwise would have been shut down because of manpower cuts.

NO TV AND RADIO

WASHINGTON, Jan. 25 (UP)—Speaker Sam Rayburn has been asked to reconsider his ruling which bans all television, movie and still photography at House Committee meetings.

Rayburn reiterated the ruling yesterday during an exchange with Rep. George Meader (R-Mich.), a staunch advocate of widespread TV-Radio coverage of house proceedings.

Meader asked Rayburn "just

what news coverage is permitted" by rules of the House.

Rayburn replied that no television and radio broadcasts are permitted of House and House Committee sessions.

SEINE RECEDES

PARIS, Jan. 25 (UP)—The River Seine receded today from its highest level in 10 years, leaving an estimated \$1,000,000 worth of damage in its wake.

Tickets Available

Tickets are now on sale for the Drama Department's production of "My Three Angels," in SD-100 from 1 to 5 p.m. daily.

Admission is 50 cents for students and 75 cents for general admission for the Feb. 4, 5, 10, 11 and 12 productions in the Studio Theater.

Editorial

We're Giving Orchids Today

Blessings on the little Awards Committee for stamping down the collective foot on the star-gazing plans of the P. E. Dept.!

As is fast becoming traditional, Glenn "Tiny" Hartranft submitted a request to the committee Monday afternoon for pigskin packer goodies in excess of the number thought reasonable and already established by that board, a group set up especially to study and hand out awards to other campus organizations.

The committee, the Student Council and the Athletic Dept. were in accord last year that the limit and budget should be 30, a number in line with that given out to other teams such as Stanford and UCLA.

Then, like a movie producer racing in with a new blonde bombshell, the P. E. Dept. announced that the team had racked up an excellent record this year and should have more awards. Their demand was for 34... although they said they would settle for an iron-clad limit of 33 from then on. To repeat a paragraph back the road a ways, the limit had been already pegged at 30 and the year's budget worked out on that basis. As a member of the Underwater Bagel Baking Society, we'd hate to think of not getting my platinum plated mixing ring, this year because of such extra requests from other groups.

We don't think the limit should be raised. However, if there is going to be a push to do so, that move should come before the budget is made up. We don't like finals either, but at least they come at a logical time... before the grades are handed out.

Thrust and Parry

Vets Thank ASB

Dear Thrust and Parry:
Attention THS SJS Student Body and Faculty:

We wish to express to you our sincere appreciation for your co-operation during this month's blood drive. Because you gave so unselfishly of your time (and blood) the drive has been a success.

To the vets who had not forgotten, we send our thanks.

Thanks also to the staff of the Spartan Daily which was so instrumental in publicizing the drive and without whom we would have floundered.

Finally, we wish to those organizations who will be sponsoring blood drives in the near and far future the success that we have had, and extend to you our wholehearted support.

Again, our thanks to you all.
PAT SEAWALL, ASB 5513.
Blood Drive Chairman
SJS Vets Club.

Ito Announces Rally Meeting

Rally committee will have a short meeting at 7 o'clock tonight in Room 39, next to the Health Office, instead of the usual time, Shunji Ito, committee chairman, announced yesterday. Ito said the change is necessitated by the SJS-Cal Poly basketball game that night at 8 o'clock.

At Wednesday's meeting the group hopes to spotlight plans for the Saturday night boxing reception for Cal Poly and select high schools to be invited to the Rally committee convention in March.

Ito urges girls interested in being hostesses at the boxing reception to attend the meeting. Suggestions for high schools to be invited are needed also, he said.

The rally executives will meet today at 3:30 p.m. to discuss policy for the convention and last week's reception for Washington State.

Newman Club To Hear Talk

"Marriage Laws of the Catholic Church" will be Father John S. Duryea's topic at a discussion following the regular Wednesday night meeting of the Newman Club, according to Bobbie Snalith, publicity chairman.

This is the second in a series of talks by Father Duryea, director of Newman Club, and is open to everyone. The discussion is scheduled to begin at 8 p.m. in Newman Hall.

President's Message Not War Speech--Dr. Bruntz

"President Eisenhower's message to Congress on the current fighting between the Formosa and Red Chinese is not a war speech."

This is the opinion of Dr. George G. Bruntz, professor of social science and education.

"The President deliberately did not deliver his message to Congress in person, so as to avoid any implication that it is a war message. Nor does Red China want war any more than we do. She knows the cost."

Dr. Bruntz said he feels Red China has been stepping up her military actions off the China coast to pressure the U.S. to show its hand. The President's message, Dr. Bruntz said, "undoubtedly" was made to disclose to the Chinese Reds that the U.S. is in the Far East to stay and that the pending treaty with Nationalist China will be operative.

Actually, Red China can be split away from the Soviet Union, Dr. Bruntz believes.

"This would not be as difficult as is generally thought," he said. "The two countries mistrust each other, and the Red Chinese suspect they are 'being used' by the Russians. They are eager to trade with the West."

The only party anxious to watch the U.S. and Red China knock the chips off each other's shoulder is the Soviet Union, Dr. Bruntz opined.

"Nothing would please Russia more than to see the U.S. and the people of Chou En Lai's China dissipate their strength and resources battling each other. China could be a formidable enemy. Her population numbers around 4,000,-

000. And, though few people realize it, China today is the fourth largest military power on the globe, and also has the fourth largest air-force."

Red China, Dr. Bruntz pointed out, feels she has some reasonable claims to the island groups directly off the China coast, and even to Formosa itself.

Dr. Bruntz said he sees a possible solution to the difficulties between Red China and the Nationalist Chinese and Formosa.

"Let's have two China's," he proposed. "Let's have a Red China and a Nationalist China. Then everybody should be reasonably happy. Red China could be seated in the United Nations Security Coun-

cil to mollify the East, and West Germany could be given a seat to satisfy the West."

Ike's Defense Message Brings Varied Comment

By UNITED PRESS

Editorial comment on the President's Formosa defense message:

THE NEW YORK TIMES: "It is important to note that all these military precautions are designed not as steps toward war but as steps away from it—that is, as measures to protect and promote peace against those who would destroy it. . . . If the stakes are high enough for him (Chou En-Lai) to lose, there is a chance that he will change his mind regarding Formosa as well, and the President's action is the best way of demonstrating to him the wisdom of such a course."

SAN FRANCISCO CHRONICLE: "If this kind of extended line of American interest seems frightening, you had better get used to it, because it is not only Formosa that is protected in this way: 'The American readiness to fight' doctrine applies equally to the NATO countries' territory, and there are 13 of them to which, at an instant's notice, we are obligated to rush."

THE WALL STREET JOURNAL: "It is possible that the Chinese Communists mean to carry out their threats. . . . In that case there will be war, which may not be confined to the Pacific area."

THE NEW YORK DAILY

WORKER (Communist): "The Chinese islands which Japan stole from China and was forced to return, the Eisenhower administration now proposes to steal in the name of its puppet Chiang Kai-Shek. . . . No hypocritical talk by Eisenhower of 'peace,' can cover up its meaning as a threat to peace."

NEW YORK DAILY NEWS: "There is no use in soft-pedaling the fact that this will be a step toward a shooting war with Red China. But what other choice is there for the United States? Only one: To abandon Chiang to the Red savages, pull back our Pacific defense frontier to Hawaii or the West Coast, and expose Japan and the Philippines to early Red conquest."

NEW YORK DAILY MIRROR (Hearst): "The Chinese Communists . . . want to test out how far they can go before our Seventh Fleet goes into action. Now they know. President Eisenhower has moved quickly and constitutionally."

NEW YORK POST: "What matters most is the speed and directness of UN action. Precious time has already been sacrificed. . . . Let there be no doubt now that America, along with most of the world, is fighting only for an honorable cease-fire."

Junior Class To Organize Inter-Council

The Junior class Monday exercised authority given it by the Student Council to form an inter-class council which would take the place of the present four-way class council meetings.

Gini Watson, class vice-president, was appointed chairman of a committee to study proposals for the organization of an inter-class council which would maintain a higher degree of coordination between the classes.

Under the present plan, there is a four-way meeting of all class councils once a quarter. The planning of this meeting presents many difficulties because of members' class schedules.

One proposal was that a new council be formed with elected representatives. Another suggestion forwarded stated that a representative now holding a class office should be chosen from each class to meet with the class advisers' committee.

"One major weakness of the class advisers' committee under the present system is that there is no student representation," says Harrison McCreath, Junior class adviser.

Hanson Receives Honor

Sam Hanson, a columnist for the Los Gatos Daily Times, will be admitted into the order of the Red Apple by the SJS senior journalism majors and the faculty this afternoon at 12:30 o'clock in Room J-101, according to Gary Engell, student chairman.

Hanson is receiving this award from the SJS Journalism Department for meritorious service to California for developing interest

in local politics and local government, fields which too often are ignored in the rush of national and international affairs, Engell said.

Women, Profs Plan Quarterly Dinner

A Chinese motif will be featured at the quarterly dinner of the Women's Faculty Club tonight, according to Dr. Olive Gilliam, president.

The dinner, held from 6 to 9 o'clock, will be followed by entertainment by Dr. Josephine Chandler and Dr. Esther Shephard.

Kappa Delta Pi's Will Meet Today

Kappa Delta Pi, national education honor society, will hold its first regular meeting of the quarter today at 7:30 p.m. in Room 53, according to Merle Ostrom, acting president.

William Eddy, graduate student and former principal of American Central High School in Cuba, will present a slide travelogue on Cuba.

Also under discussion will be the regional conference at Fresno in April. All members are urged to attend.

Four Head Tour

Four members of Alpha Phi Omega, national service fraternity, Dennis Brisbin, Bob Peeks, Don Thompson and Dick Alber, were guides Friday to 18 honor students from Gustine Union High School on a tour of the campus.

The visitors were accompanied by Jack Carlson, a 1937 SJS graduate.

Big, But Quick

OSLO, Norway — (UP) — In 1948 Oslo, Norway's capital, underwent one of the largest city expansions on record. On New Year's Day it bulged out to 26 times its former size by annexing 175 square miles.

Raiders To Meet Mustang Five Tonight in Spartan Gym

(Continued from Page 1)

Mustangs a nine win, seven loss record for the season. The Spartans are working on a three game winning streak and will be looking for their 10th win in 15 starts this season.

Cal Poly Coach Ed Jorgensen has named Bill Freeman to start at forward with Hall.

In the back court Jorgensen has nominated Tony Nunes, a two-year letterman, and Atwood Grandberry for starting assignments. Nunes is a San Jose area boy having played at Santa Clara High.

Spartan starting guard Carol Williams nearly matched Hall's average of 16.7 points per game with his 16.2 per game average. Williams has connected on his last 24 free throws.

Spartan Coach Walt McPherson will probably start Bob Bon-

danza at guard along with Williams.

At the post position, Bud Hjelm is the likely choice, although Bob Borghesani may get the nod at center with Hjelm opening at a forward.

Expected to be at the forward spots at the tip-off are Tor Hansen and John Erceg, with Bob Christensen ready for reserve duty.

Williams, Hjelm, and Hansen paced the Spartan scoring in the Loyola game last Saturday night when the SJS five set a field goal percentage mark. The Spartans hit 56.3 per cent in the game after having a 58.6 mark from the floor in the first half.

The probable starting line-ups:

San Jose State Pos.	Cal Poly
Hansen (6'4) F	Hal (6'3)
Erceg (6'2) F	Freeman (6'4 1/2)
Hjelm (6'6) C	Madsen (6'5)
Williams (5'10) G	Nunes (5'10)
B'danza (5'10) G	G'berry (5'11)

Coach Learns Dahl Eligible For Ring Team

Gerald Dahl, 178-pound Spartan boxer, has been declared eligible for this season's SJS ring team. Earlier in the week Coach Julie Menendez believed that Dahl would be academically ineligible since he had only nine and a half units for Fall quarter.

Since SJS follows the Pacific Coast Conference rules, Menendez thought a PCC ruling requiring 10 units a quarter would prevent Dahl from competing this quarter. However, a check of the ruling revealed that the PCC has dropped the requirements at its Dec. 9 meeting in Los Angeles.

Stan Galas, guard on the varsity football team, turned out for boxing last week, giving Menendez added depth in the heavy-weight ranks. Galas checked in at 218 pounds.

Coach Menendez said that there may be a possible challenge match this afternoon between Jim Torrey and Bob Burnett in the 175-pound class.

Thinclads Select Five Liaison Men

Members of the track squad elected five commissioners to act as liaison men between the coach and the squad from the ranks of the sprints, hurdles, weight events, jumping and distance events, at a meeting last week.

The commissioners will meet with Coach Bud Winter to discuss team, morale, practice conditions and personnel.

Elected by their teammates were Jack Albani, sprints; Mickey Maramonte, hurdles; Lynn Greene, weight events; Owen Rhodes, jumping events; and Don Hubbard, distance events.

SJS To Initiate New Track Idea

San Jose State will initiate a movement this spring to help prepare in advance for preparations for the Olympic Games. Coach Bud Winter plans to invite visiting track teams to participate in Olympic events on an exhibition basis, he announced yesterday. This movement will prepare athletes for Olympics participation each season, rather than waiting until Olympic year.

The Olympic events to be included on the Spartan home track programs will include the steeplechase, 400-meter hurdles, hop, step and jump, and hammer throw. With the track teams participating on an exhibition basis, no points will be scored for the events except in the All-Corner meet.

Winter expressed hope that other colleges would follow San Jose State's lead. "I think this plan has great opportunity for the big relay events at Fresno, Modesto, Compton, and Los Angeles," he said.

Mermen To Open Season Tomorrow

Coach Charlie Walker's swimming team opens its season tomorrow night at Treasure Island against the T. I. Pirates.

The Pirates have never beaten the Spartans, and Walker is hopeful of adding another win over them tonight.

The Spartans feature two record holders in tomorrow night's fray. They are Dick Threfall, holder of the college 50-yard record, and Carl Yates, 1500-meter college record holder.
